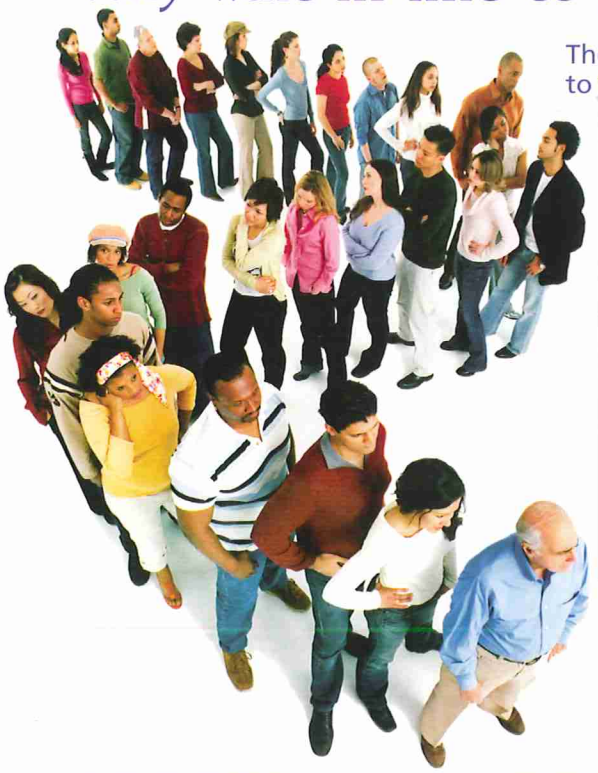
Why wait in line to pay your monthly bill



There are several safe and reliable ways to save you time so you don't have to wait in line.

1. BTC Preauthorized Payment Plan
   This is the easiest way to pay your phone bill. You can have your BTC bill paid directly from your checkings / savings account or major creditcard. Simply fill out and return the attached form via fax (292-5297) or drop off to any BTC Office.

2. Online Banking
   Did you know that you can sign up with HSBC Bank Bermuda Ltd. or Butterfield and pay your phone bill online?

3. Automatic Teller Machine (ATM)
   You can also pay your phone bill directly from any ATM. Consult your banking institution to set up your BTC account for payment via the ATM.

4. Drop Box Locations
   We have three locations in Hamilton – Washington Mall next to Delta Airlines, BTC's Office on 30 Victoria Street, and the Capital G bank on Reid Street. Drop boxes are also located at our Somerset and St. George's exchanges. Do not deposit cash in drop boxes – cheques only.
